

Doris calls out from behind the teller window.

DORIS
You have a phone call.

EDMUND
Who is it?

DORIS
It's not for you sir, it's for John. I
think it's your wife, Emma.

John goes to the phone and nervously stands over the receiver as it lay on the table.

Edmund and Mack stand by the vault pretending not to be watching John.

From behind the teller windows, Wanda and Doris shuffle over a little closer so they can eavesdrop.

John raises the phone to his ear.

JOHN
(into phone)
Hello?

MAGGIE (V.O.)
John, it's Maggie.

John's eyes widen.

He's tense throughout.

JOHN
Why are you calling?

John cups his hand over the phone and turns away from Doris and Wanda.

MAGGIE (V.O.)
I really need to talk to you.

We hear CHILDREN LAUGHING in the background.

JOHN
Where are you?

MAGGIE (V.O.)
The women's shelter.

JOHN
The women's shelter?
